Dear Members:

Effective immediately 90 day prescriptions at retail pharmacies with a 30-day co-pay will no longer be accepted. If you would still like to receive a 90 day supply you may fill out a mail away form for this prescription. These forms are located with your shop stewards or can be obtained by calling the Welfare Fund Office @ (212) 924-1618.

Fraternally yours,

Fraeda Goldstein
Fund Administrator
